

## **Avio-Diepen launches improved E-commerce tool for customers**

On Friday November 9, Avio-Diepen, a leading global stocking distributor of factory new parts, launched a complete rebuild E-commerce tool for their customers. *ADcommerce* was originally launched in 2001 and based on customer input a complete new system has been implemented.

New features that were added to *ADcommerce* include:

- Manually search up to 10 parts at a time
- The use wildcards to find the exact part number
- Upload an Excel or text file part list directly into *ADcommerce*
- Check stock availability from the global Avio-Diepen global warehouses
- Buy multiple parts at once
- Modify or add new shipping addresses
- A convenient credit card payment option

Avio-Diepen has also on-line interfaces with Aeroxchange, Boeing IMM, Airbus, ATA and ILS.

### **About Avio-Diepen**

Avio-Diepen specializes in stock management and spare parts distribution of factory new certified components to Airline, MRO and OEM customers throughout the world. Avio-Diepen helps customers reduce direct and indirect costs by reducing lead-times, consolidating suppliers, implementing Material Management Services initiatives, and offering PMA products & services. Avio-Diepen has offices and distribution centers near Amsterdam, London, Hong Kong, Beijing, Atlanta and Melbourne.
